CLEARINGHOUSE RULE 05-028

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

2. Form, Style and Placement in Administrative Code

The treatment of s. Ins 17.28 (6) retains a format that has been used for some time. While the format appears to work, two refinements of the format are suggested to conform the subsection to standard drafting conventions:

First, s. Ins 17.28 (6) (i) (intro.) should read: “For a hospital, all of the following fees:”. Note that this format is used in pars. (k) to (n). Also, the word “plus” and the semicolon should be deleted from subd. 1.

Second, in pars. (k) 2., (L) 2., (m) 2., and (n) 3., the lists of fees should be modified by deleting the column headings and numbering the individual entries as subd. pars. a. to k.

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In the second paragraph of item 5. of the analysis, “a decrease” should replace “an decrease.”

b. In s. Ins 17.28 (6) (k) 2., if, for example, an advanced practice nurse prescriber is also an advanced nurse midwife, is the fee \$1,976; \$301; or the sum of the two? The same question applies to pars. (L) to (n).
